

## INTRODUCTION

The information in this document represents, to the best of my knowledge, the history of the Franklin Alexander Coates family as far as I have been able to trace to date.

If anyone has any additional writings, photos or other documents relating to Franklin Alexander Coates, his parents, his grandparents or other relatives please contact me. I would appreciate receiving copies to add to the record.

I'm also seeking more information for a companion document, "From Bewdley to Beverly," which contains the autobiographical writings of Franklin Alexander Coates (1879-1961). Copies of any additional writings or relevant photographs that anyone has would be appreciated as these will be added to the document to make it as complete as possible.

I look forward to hearing from you ...
